Declaration of MATERIALS USABLE FOR THE PRODUCTION OF M.O.C.A.

Dear customer,

I hereby Colorobbia Italia S.p.A. informs you that the following products supplied to you:

Colorobbia ART Series

(HAC – HCO – BLS – HSS – HSC - HST- HLT – HMT – HHT – HCT)

they do not contain Cd (Cadmium), Pb (Lead) and PTFE/PFOA intentionally added and are therefore considered suitable for the manufacture of M.O.C.A. products. in compliance with Article 3 of Regulation 1935/2004/EC.

In the event that our products are used for the glazing of objects that may come into contact with food, we recommend carrying out the appropriate migration or transfer tests required by the specific legislation (Council Directive 84/500/EEC of 15 October 1984).

Colorobbia Italia S.p.A. is at your disposal for further clarifications.
